Dear Mr. Lambert:

I hope you have received the census records on Bruce Bias by now. I sent my personal check for \$4 so that they would put the search ahead of the \$3 searches. I told them to send the information direct to you. Out of your \$5 check I got only \$1 for my time.

Before the census work on Bruce Bias I had sent you pension of Samuel Turner and "negative" slips on Obediah Bias in the Rev. and Adam Bias in War of 1812. My bill was \$2 unless you had other work. As you sent other work then my charge for the Turner and others checked is \$1.00. I will include it with the present statement.

I have put in considerable time trying to find what county the Bias, Turner and Spencer families came from. The earliest information available is the Va. Tax List of 1782-87. See lists on my page 12 (pencil). Apparently there were 4 Byas families in Amherst Co. in 1783 but no marriages show in that county until after 1800. These men are shown in the First Rifle Co. of Amherst Co. in 1781 and in Mrs. Sweeny's book on Amherst Co. men in Revolution. Perhaps they enlisted in Amherst Co. but lived in adjoining county, moving to Amherst Co. after or during the war (they appear in tax list 1783).

Adam Bias had a record in Rev. War but there was none for Obediah. However, Obediah is listed as being on the tax list in 1783 and in the 1st Rifle Co. in 1781 from that Co. Adam is not in either list. He may have died shortly after the last service record of Sept. 1779.

Henry, John and Wm. Turner were in the 1st Rifle Co. of Amherst Co. Mrs. Sweeny gives an account of Henry on my pg. 10 (pencil). He had a son Samuel C. Turner who may be Samuel who married Sarah Spencer in 1789 and whose record I sent you. Mrs. Sweeny also gives a record on Wm. Turner but no list of children. Henry was married 1777 and Wm. married 1780 and they may have been brothers of Samuel who was married 1789 Sarah Spencer.

Sarah Spencer was daughter of Wm. Spencer who was in the 1st Rifle Co. of Amherst Co. He appears in the tax lists of that Co. in 1782 and 1785 but in Cumberland Co. in 1784. There were others by this name in the early tax lists of Va. in Bedford, Montgy., and Buchanan Cos. He is not in 1810 Census of Amherst and is probably the Wm. Spencer in Fairfax (Culpepper) Co. at that time. I did not locate him in 1820 and presumably he had died.

I am enclosing 13 sheets of material which I hope you will find helpful. The charge for this will be \$5 plus the \$1 for the above Turner pension records making a total of \$6 you owe me.

Sincerely,

Margaret E. Hook
